TEACHING HOURS

Teaching hours are defined as actual Pilates client contact hours either in group classes or private sessions. Teaching hours are to be documented as an average of actual hours taught. That is: a maximum of 30 hours per week for a maximum of 48 weeks per year equates to a maximum allowance of 1440 teaching hours per year.

Membership upgrade applications must be supported by:

- Evidence of a PAA recognised comprehensive Pilates certification;
- A summarised account of average teaching hours, set out in either a letter from an employer, or attached to a Statutory Declaration, and;
- Two signed references from Pilates industry peers.

EXAMPLE

1 Employer: Perfect Pilates

Year: 2009 From 5 April to 24 December.

Average of actual hours worked: 15 hours per week for 36 weeks = 540 hours.

2 Employer: North Pilates

Year: 2010 From 4 January to 10 December.

Average of actual hours worked: 25 hours per week for 46 weeks = 1,150 hours.

3 Employer: Pilates Power
